Dear Mayor and Village Board Members:

Engine Company. 3 of the St James Fire Department respectfully requests the Village's permission to conduct the 33rd Annual 5-mile run. . Pending your approval, the race is scheduled for Saturday, April 18, 2015 starting at 9AM and concluding no later than 10:30AM.

The Village has always been a strong supporter of this event and we appreciate all of your past support. This past year, we had an excellent turnout and again appreciated the cooperation of Police Chief Martin Thompson. As you know, the proceeds of the race were shared with the Suffolk County Volunteer Firefighter's Burn Center Foundation at Stony Brook and the New York City Firefighter's Burn Center Foundation at New York Hospital.

We again request the support of your police department. We were able to maintain a safe race with the assistance of your police department, local police agencies and local fire departments' fire police units. We invite the Mayor or his designee to start the race and to help present the awards at the conclusion of the race. We thank you for all your support and efforts for these 32 years.

If you need any additional information, please contact me at 631-413-3747.

Very truly yours,

  
James J. Ryan, Race Chairman
