JOINT COASTAL MANAGEMENT COMMISSION NEEDS NEW ALTERNATE MEMBER

What is the Coastal Commission? A 12-member agency of the villages of Nissequogue and Head-of-the-Harbor appointed to carry out the policies of our Local Waterfront Revitalization Program (LWRP). Its goal is to protect the watersheds of the two villages.

What do its members do? Bound by Village laws and the LWRP, the commissioners Meet once a month to review all applications for building permits and subdivisions and where necessary recommend changes to make sure projects are consistent with LWRP policies. We sponsor at least one educational event every year.

Background preferred: strong interest in or experience in natural or physical sciences.

IF INTERESTED, PLEASE CONTACT VILLAGE OFFICE @ 584-5550
